Provisional Vacancy Position

Sl. No.	Course	SM	EWS	EZ	MU	ST	SC	BH	LA	DV	VK	KN	BX	KU	DA	OEC	SPN	TOTAL
1	Applied Electronics and Instrumentation	13																13
2	Artificial Intelligence	0																0
3	Computer Science and Engineering	1																1
4	Control System	2																2
5	Electrical Machines	8																8
6	Environmental Design	0																0
7	Environmental Engineering	0																0
8	Financial Engineering	4																4
9	Geo Informatics	0																0
10	Geotechnical Engineering	0																0
11	Guidance and Navigation	15																15
12	Hydraulics Engineering	0																0
13	Industrial Engineering	3																3
14	Information Security	4																4
15	Machine Design	0																0
16	Manufacturing and Automation	4																4
17	Micro and Nano Electronics	6																6
18	Microwave and TV Engineering	10																10
19	Planning (Housing)	0																0
20	Power Electronics	5																5
21	Power Systems	1																1
22	Propulsion Engineering	7																7
23	Renewable Energy	3																3
24	Robotics and Automation	0																0
25	Signal Processing	8																8
26	Structural Engineering	0																0
27	Thermal Science	10																10
28	Trafic and Transportion Engineering	0																0
29	Urban Design	0																0
