

COLLEGE OF ENGINEERING TRIVANDRUM

NOTICE

The College Council meeting held on 27-07-2021 arrived at the following decisions on the matter of temporary accommodation for students in college hostels in connection with the upcoming university examinations.

1. In view of the Covid-19 protocols and directions issued of by the state government, the college is bound to limit accommodation to students of the following categories;
 - (i) Students from other states who got admission under the central quota.
 - (ii) Students for whom there is no KTU examination centre within 20 km from their residence in Kerala.
2. Those who need accommodation are to submit an application for the same through their staff advisor. The application should contain complete residential address and the distance to the nearest KTU examination centre.
3. Accommodation will be given based on availability and adhering to Covid-19 protocols.
4. Accommodation will be available from two days prior to the date of commencement of examination and up to two days after the last examination. However, students from Palakkad, Malappuram, Kozhikkode, Kannur, Kasaragode and Wayanad districts will be allowed one more day to stay before and after the examination. On deserving situations, students from other states will be given accommodation for more days if deemed necessary.
