

## Workshop on 'Women Empowerment for Housewives'

College of Engineering Trivandrum as a part of its initiatives for outreach to society, organized a novel concept of an offline workshop on 'Women Empowerment for Housewives' in association with the IEEE Education Society Kerala Chapter and IEEE student branch on 6th August 2022. The concept was to primarily focus on enlightening the housewives with the technology involved in their day- to-day life, which will help improve their quality of life. The Cheruvaikal Ward Councillor, Smt. Bindhu S R inaugurated the event in presence of many honourable dignitaries. The event was presided over by Dr. V Suresh Babu, Principal of the college and was felicitated over by Er. A G Hareendralal, Advisor of IEEE Education Society Kerala Chapter. Dr Bindu J, Professor, Dept of Civil Engineering who is in charge of college outreach activities also graced the function. The coordinator, Dr Bindu G R, Professor , Dept of Electrical Engineering, who is also the Dean (International Affairs) of CET informed that the workshop covered all major aspects of electric appliances used at home, including safety precautions, energy saving steps and also persuaded them to use online payment facility by providing hands on experience on computers as well as smart mobile phones. A tool kit was also given to each of the participants. The awareness classes were engaged by Dr V P Mini, Dr N Mayadevi, Dr A Asok Kumar and Dr R Harikumar. As per the feedback from the participants who were all homemakers and women from Kudumbasree from the nearby Cheruvaikal ward, the workshop was extremely useful and wished that the college comes up with more of such workshops in the near future itself.
