Minutes

No: CET/Research/...../20__

Date:

Reference: Research Regulations No. U.O.No. 1166/2023/KTU Thiruvananthapuram,
Dated: 16.05.2023

Minutes of the **Seminar I Meeting** of the research scholar
working in the area
.....with the title of the thesis.....
..... under the guidance of the Supervisor/Co-supervisor
..... held on at

Agenda:

1. Detailed presentation of the progress report and future work plan by the research scholar.
2. Check the status of incorporating the suggestions for modifications decided in the Research Proposal meeting.
3. Suggest modifications if any required on the research work done/plan of action for future work.

Members present:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.

The meeting started at on The convener introduced the agenda (which was already communicated to all the DC members in the DC announcement notice) and invited the Chairman to chair the meeting. The Chairman welcomed all the members to the meeting and invited the research scholar to give a detailed presentation about the research progress and the plan of action for the future work. The DC found that the scholar has incorporated the suggestions for modifications decided in the Research Proposal meeting and also has made reasonable progress in her/his research. After detailed discussions on the research proposal and the progress made, the DC suggested the following modifications in the research work done/the plan of action for the future work:

- 1.
- 2.
- 3.
