

S7 Second Class Test Time Table

The second-class test for **S7** will be conducted from **27th November 2023** onwards as per the following schedule:

Date & Time	Semester	Branch	Course
27-11-2023 9.30-11.30 am	S7	AE	AET401 Communication Engineering
		CE	CET401 Design of Steel Structures
		CS	CST 401 Artificial Intelligence
		ECE	ECT 401 Wireless Communication
		EEE	EET401 Advanced Control Systems
		IE	IET 401 Quality Engineering
		ME	MET 401 Design of Machine Elements
28-11-2023 9.30-11.30am	S7	AE, CE, CS, ECE, EEE, IE, ME	Program Elective II
29-11-2023 9.30-11.30am	S7	AE, CE, CS, ECE, EEE, IE, ME	Open Elective
30-11-2023 9.30-11.30am	S7	AE, CE, CS, ECE, EEE, IE, ME	MCN401-Industrial Safety Engineering

There will be regular classes in the afternoon session on all test days.

S5 Second Class Test Time Table

The second-class test for S5 will be conducted from 27th November 2023 onwards as per the following schedule:

27-11-2023 9.30-11.30am	S5	AE, ECE	HUT310 Management for Engineers
		CE	CET309 Construction Technology & Management
		CS	CST309 Management of Software Systems
		EEE, IE, ME	HUT300 Industrial Economics and Foreign Trade
28-11-2023 9.30-11.30am	S5	AE	AET301 Control Systems
		CE	CET301 Structural Analysis –I
		CS	CST 301 Formal Languages and Automata Theory
		ECE	ECT 301 Linear Integrated Circuits
		EEE	EET301 Power Systems I
		IE	IET 301 Supply Chain and Logistics Management
		ME	MET 301 Mechanics of Machinery
29-11-2023 9.30-11.30 am	S5	AE	AET303 Industrial Instrumentation
		CE	CET303 Design of Concrete Structures
		CS	CST303 Computer Networks
		ECE	ECT303 Digital Signal Processing
		EEE	EET303 Microprocessors and Microcontrollers
		IE	IET303 Operations Research
		ME	MET303 Thermal Engineering

30-11-2023 9.30-11.30am	S5	AE	AET305 Computer Architecture and Embedded Systems
		CE	CET305 Geotechnical Engineering – II
		CS	CST305 System Software
		ECE	ECT305 Analog and Digital Communication
		EEE	EET305 Signals and Systems
		IE	IET305 Thermal Engineering
		ME	MET305 Industrial & Systems Engineering
1-12-2023 9.30-11.30am	S5	AE	AET307 Analog Integrated Circuits
		CE	CET307 Hydrology & Water Resources Engineering
		CS	CST307 Microprocessors and Microcontrollers
		ECE	ECT307 Control Systems
		EEE	EET 307 Synchronous and Induction Machines
	IE	IET307 Object Oriented Programming	
2-12-2023 9.30-11.30am	S5	AE, CE, CS, ECE, EEE, IE, ME	MCN301 Disaster Management
04-12-2023 3.00pm-5.00pm	S5	AE, CE, CS, ECE, EEE, IE, ME	Minor

There will be regular classes in the afternoon session on all test days.
