

COLLEGE OF ENGINEERING TRIVANDRUM-16

APPLICATIONS ARE INVITED FOR THE PURCHASE OF TECHNICAL LIBRARY BOOKS (LIST ATTACHED) FROM PUBLISHERS/BOOK SELLERS

File Number	CET/3467/2024-P5
Due date and time for receipt of applications	17/12/2025 11.00 AM
Date up to which the rates are to remain firm for acceptance	12/03/2026
Designation and address of officer to whom the application is to be addressed	The Principal, College of Engineering Trivandrum, Thiruvananthapuram-16. GSTIN:32AAAGC0358L1ZP
Superscription : Purchase of Books in Technical Library-CET	

Sealed applications are invited from leading Publishers/Book Sellers for the supply of Books with **maximum discount** for the Financial Year 2025-26. The applications should be prepared publisher-wise. A list of books required with details of publishers is attached with this notification. If any inconsistency is noted between the Book and Publisher's name in the annexed list, the Publishers/Book Sellers can add the correct name in their Quote. If there are any other Publishers who can supply the required books with the same Title & Author, the sellers can include that names also in their Application. If the same book is available as Indian and Foreign editions, both the rates with special discount should be shown separately. The details of the books are attached below.

The acceptance of the applications will be subject to the following conditions.

1. Withdrawal from delivery after it is accepted or failure to supply within a specified time or according to specifications will entail cancellation of the order and purchases being made at the offerers expenses from elsewhere, any loss incurred thereby being payable by the defaulting party. In such an event the Government reserves also the right to remove the defaulter's name from the list of Government suppliers permanently or for a specified number of years.
2. Samples, duly listed, should be forwarded if called for under separate cover and the unapproved samples got back as early as possible by the offerers at their own expenses and the Government will in no case be liable for any expenses on account of the value of the samples or their transport charges, etc. In case, the samples are sent by railway, the railway receipt should be sent separately, and not along with the quotation since the quotation will be opened only on the appointed day and demurrage will have to be paid if the railway parcels are not cleared in time. Applications for the supply of materials are liable to be rejected unless samples, if called for of the materials tendered for are forwarded. The approved samples may or may not be returned at the discretion of the undersigned. Samples sent by V.P.Post or "freight to pay" will not be accepted.
3. No representation for enhancement of price once accepted will be considered during the currency of the contract.
4. Any attempt on the part of tenderers or their agents to influence the Officers concerned in their favour by personal canvassing will disqualify the tenderers.
5. If any license or permit is required, sellers must specify in their application and also state the authority to whom application to be made.
6. In cases where a successful seller, after having made partial supplies fails to fulfill the contracts

in full, all or any of the materials not supplied may, at the discretion of the Purchasing Officer be purchased by means of another tender/quotation or by negotiation or from the next higher tenderer who had offered to supply already and the loss, if any, caused to the Government shall thereby together with such sums as may be fixed by the Government towards damages be recovered from the defaulting tenderer

7. a) Ordinarily payments will be made only after the supplies are actually verified and taken to stock but in exceptional cases, payments against satisfactory shipping documents including certificates of Insurance will be made up to 90 per cent of the value of the materials at the discretion of Government. Bank charges incurred in connection with payment against documents through bank will be to the account of the contractor. The firms will produce stamped pre-receipted invoices in all cases where payments(advance/final) for release of railway receipts/shipping documents are made through Banks. In exceptional cases where the stamped receipts of the firms are not received for the payments (in advance) the unstamped receipt of the Bank (i.e. counterfoils or pay-in-slips issued by the Bank alone may be accepted as a valid proof for the payment made. b)The sellers shall quote also the percentage of rebate (discount) offered by them in case the payment is made promptly within fifteen days/within one month of taking delivery of stores.
8. Any sum of money due and payable to the successful tenderer or contractor from Government shall be adjusted against any sum of money due to Government from him under any other contracts.
9. Special conditions, if any, printed on the application sheets of the seller or attached will not be applicable to the contract unless they are expressly accepted in writing by the purchases.
10. **GST number** must be mentioned in the application. The firm under composition scheme must mention the words "Composition taxable person" in their application and should submit proof for that.
11. The unit price, all other charges such as delivery, transporting, loading and unloading charges, and GST must be shown separately in the application.
12. Delivery Location-**Tehcnical Library CET**
13. Delivery Time-**Within 15-25 days**.
14. **Payment** only after complete delivery of books. No partial delivery will be entertained.
15. An agreement has to be executed in Kerala Stamp paper of Rs 220/- by the successful seller upon receiving the supply order.
16. Purchase order will be delivered to authors/publishers who quote **maximum discount price** for the books listed below.

LIST OF BOOKS TO BE SUPPLIED

SI No	Name of the book	Name of author	Publisher name
1	Spacecraft dynamics and control_ A Practical Engineering approach	Marcel J Sidi	Cambridge University Press
2	Design of Robust Control Systems: From Classical to Modern Practical Approaches - Hardcover	Marcel J Sidi	Krieger Publishing Co.
3	Fundamentals of Spacecraft Attitude Determination and Control	F. Landis Markley (Author), John L. Crassidis (Author)	Springer Nature
4	Feedback Control Theory	John C Doyle	Dover Pubns
5	Spacecraft modelling, Attitude determination and control : a quaternion based approach	Yaguang Yang	CRC Press
6	Design of control laws and state observers for fixed wing UAVs	Arturo Tadeo Espinoza-fraire (Author), Alejandro Enrique Dzul Lpez (Author), & 2 More	Elsevier Science Ltd
7	Control System design for small unmanned aerial vehicle	Hlo Myo Tun	Lambert
		Dhorajiwala Muhammad	

8	Design and development of a UAV autonomous control System	Arslan Amin (Author), Chughtai Uzair Ahmed (Author), Munawwar Saqib (Editor)	Lambert
9	Robust nonlinear control systems design	Taufiq Firmansyah (Author), Yudi Samyudia (Author)	Lambert
10	Control of nonlinear systems: Stability and performance	Yongduan Song (Author), Kai Zhao (Author), Hefu Ye (Author)	CRC Press
11	Control of nonlinear systems via PI, PD and PID	Yong-Duan Song	CRC Press
12	Introduction to nonlinear control-	Christopher M Kellett, Philip Braun	Princeton University Press
